

good, or do evil? To save life, or to destroy it?

This confirms the true will of God on any Sabbath or holy day. To hold to the rigged letter of the law when good can be done is not the true intent of the law on the Sabbath. Law is always for the best good of all, if it is just and holy. No day should lord it over man or put him under bondage. Man should be lord of the Sabbath and be free to do good on this day. Sabbath means rest.

Read Luke 13:14-17. Mark 2:27 - And He said unto them, The Sabbath was made for man, and not man for the Sabbath. Man was not made for rest, but rest for man to use for his best good. The proper observance of the Sabbath is described in Isaiah 56:2-7. Keeping the Sabbath was one of the sacred rites of the Jewish religion and called to remembrance their deliverance from slavery in Egypt. The Church has never been under any obligation to keep any Sabbath. Christians are free to keep any day (Romans 14:5-6; Galatians 4:9-10; Colossians 2:14-17).
