SIXTH STUDY

FREEDOM FROM SIN'S POWER

THE PROBLEM (Romans 6:1,2)

The gospel of man's Sanctification is found in Romans 6:1-8:39, but to get there we have to begin with this question by Paul in Romans 6:1----

What shall we say then? Shall we continue in sin, that grace may abound?

Meaning: "Well then, shall we keep on sinning so that God can keep on showing us more and more kindness and forgiveness?" (LB) -- Are we to remain in sin, so that God's 'unmerited favor' be made to increase?

1. What was Paul's answer to his question?

(Romans 6:2) _____

As Christians, we die to self and sin and a new purpose is born in us. We no longer desire to sin, but sin makes us grieve. We have no desire to test God's grace by sinning and sinning just to receive more and more of God's grace. Our commitment to our new life is to grow in God by personal relationship with Him and the studying of His Word 'daily'. In this way, we allow God to change us and continually sanctify us so we no longer think and act like the world we left behind: when we were converted to Christ. Our goal is to follow Christ and pattern our life after His He left for us. We are no longer our own; we were bought with a great

THE PROMISE (Romans 6:3,4)

When we were baptized in water, we were baptized into Jesus Christ; into His death (Romans 6:3); His burial; and His Resurrection.

2. According to Romans 6:6,
 - (a) What happens to our old man? _____
 - (b) What happens to the body of sin? _____

Sin has no more dominion over us, so that we should, then, live like Christ. We are no longer a servant to sin. We have been freed from it's power over us (Romans 6:7).

THE PURPOSE (Romans 6:8-10)

1. From Romans 6:8, If we then be dead in Christ,
What do we believe? _____

Since Christ was sinless, He, being our sacrifice; sin can never overpower us ever again. Christ lives His life through us ---- Eternal life!

THE ABUNDANT LIFE / A YEILDED LIFE
(Romans 6:11-22)

1. Even though we possess eternal life through our faith in the Lord Jesus Christ; and accept His work on the cross: ---- the shedding of His blood for our sins,
 - (a) Is there still something else we have on our Part to do? (Romans 6:12,13) _____
